VACCINATIONS: All pets boarding in our hospital are required to be currently vaccinated against RABIES and DISTEMPER, and have a current negative intestinal worm exam. Additionally, all dogs must be currently vaccinated against PARVO and BORDETELLA.

PARASITES: Your pet will be inspected for parasites upon admission by our kennel staff. Any pets showing obvious signs of parasites (i.e. fleas or flea dirt) will be treated at owner's expense.

OWNER RELEASE

If any serious health condition develops, your pet will be treated as deemed best by the staff veterinarian. Expenses incurred are responsibility of the owner. We will attempt to contact the owner or emergency name listed above before treatment is initiated. Gate City Animal Hospital and its staff will not be held liable for any problems that may develop provided reasonable care and precautions are followed. We recommend multiple pets stay in separate kennels. I understand there are certain risks involved with authorizing Gate City Animal Hospital to board my pets together. I accept all responsibility for any problems that may arise.
